UTAH STATE NEWS

Salt Lake boasts of a brass band, all of the members of which are ladies.

The fund for the construction of the new Commercial club building of Salt Lake City has reached \$134,000 at the close of last week.

Three suspects have been lodged in jail, charged with robbing a store at Lehi, when a considerable quantity of merchandise was stolen.

The assessment rolls of Juab county, just made public by the county assessor, shows a valuation of \$4,437,668, exclusive of the railroads.

A recent addition to the industrial interests of Utah is a factory for the manufacture of all kinds of coal tar products, which has been established in Salt Lake City.

In a debate held in the Lehi tabernacle last week between representatives from Lehi High school and the Weber High school, the Lehi representatives were victors.

While attempting to alight from a street car in Ogden, Frederick Collins, an elderly man, was thrown forcibly to the ground and sustained injuries which may prove fatal.

The Ogden chamber of commerce, recently organized, is establishing permanent quarters, six large rooms in the heart of the city having been secured and are being fitted up.

The twenty-fifth annual convention of the Knights of Pythias, Grand Domain of Utah, was held in Salt Lake City last week, delegates from all portions of the state being in attendance.

During a fight in a pool hall at Kimberly, Ben Carter shot Lawrence Hamel, the bullet entering his mouth and going through the fleshy part of his cheek. Hamel is not dangerously hurt.

Twenty of the leading wool growers of Utah have organized a corporation for the protection of that industry, with a capital of \$20,000, and to be known as the Utah Wool Growers' association.

Oliver Noe, a private of company F, stationed at Fort Douglas, while despondent as the result of a protracted spree, placed the muzzle of a rifle to his chin and fired, his head being frightfully mutilated.

The state board of health has issued a circular letter to the health officers and county commissioners in all parts of the state, notifying them that the board is ready to begin the free distribution of antitoxin.

Joe Sullivan, sentenced to life imprisonment for the murder of Policeman Ford of Salt Lake, made a vicious attack upon a fellow prisoner last Saturday, stabbing him with a knife. Sullivan has been placed in solitary confinement.

Preparations are being made at the state school for the deaf and blind for the triennial convention of the American Instructors of the Deaf, which will meet in Ogden July 3, prominent educators from all parts of the country having promised to be present.

The highest court of Mexico has confirmed the death sentence of the three Mexicans who murdered George Rose, a mining man whose home was in Salt Lake, the tragedy occurring in Guanajuato, September 11, 1907, while the men were pillaging Rose's house.

A "good roads" mass meeting was held in Salt Lake City last week, at which representatives from Weber, Davis and Salt Lake counties who are in favor of the improvement of the roads of these counties were present, plans being laid for improvement of the public highways.

An invention which will ultimately result in the saving of fully one-half of the labor connected with gathering sugar beets has been received at the office of the Utah-Idaho Sugar company and placed on exhibition. The machine is the invention of Abraham Goodman of Lehi.

Edwin S. Snelgrove, for the past five years bookkeeper for the Utah Association of Credit Men, committed suicide in Salt Lake City, placing a revolver in his mouth and blowing off the top of his head. Despondency brought on by irregularities in his accounts led to the deed.

A bold sneak thief, armed with a pair of pliers, detached a slot telephone from a business house in Salt Lake, broke open the lock and secured about \$10 in nickels, dimes and quarters. The bold and unique robbery was performed in broad daylight and the thief escaped.

As the result of the giving way of a scaffold on which he was working, Grant Patterson, a Park City carpenter, fell a distance of twenty feet and narrowly escaped death. As it is, he will be in the hospital for some time, with several broken ribs and a sprained shoulder and wrist.

As the result of a decision in the case of a couple of Salt Lake merchants who had refused to pay their merchant's license, the court deciding that the law was constitutional, it is believed the problem of collecting this license has been solved and there will be no further trouble.

It is announced that henceforth the workmen in the Southern Pacific shops at Ogden will be given six days' work each week. For some time past the men have been laid off from two to four days each week, this move being in the interest of economy, the railway officials claimed.

The April bulletin of the state board of health shows 365 deaths during the month, due to different causes, and thirty-eight localities free from all contagious diseases. Forty-three cases of smallpox were reported during the month, with no deaths, and seventy-four cases of diphtheria.

NEWS SUMMARY

A professor of Vidin, Bulgaria, H. M. Nikoloff, who started in 1903 to make a tour of the world on foot, has reached St. Louis.

Rear Admiral Joseph Filibert, the French commander in Moroccan waters, has been promoted to the grade of vice admiral.

President Roosevelt has signed the bill providing for the participation of this country in the exposition to be held in Tokio in 1912.

A tornado which came down the valley near Albia, Iowa, destroyed all the buildings in its pathway, J. M. Taylor, aged 75, being killed.

Headquarters for the presidential candidacy of Governor Hughes of New York have been established in Chicago by the National Hughes league.

A cloudburst near Wichita Falls, Texas, washed away railroad tracks and damaged farm property. Four persons are reported to have been drowned.

Night riders destroyed the tobacco sheds of Walter Hook, six miles from Ripley, Ohio. Hook fired at the men and in return they riddled his house with bullets.

The police of Chicago are searching for two boys, Ralph McCabe, aged 7, and Chester McCormick, 8 years old, who are believed to have been kidnapped by gypsies.

Over 40,000 deaths have resulted from the severe famine prevailing in the Uoga province of Uganda, British East Africa. The government is feeding 50,000 of the natives.

After September 1 it will be a felony to conduct a bucketshop in the state of New York, Governor Hughes having signed Senator Cassidy's bill amending the penal code to that effect.

Professor Leslie A. Lee of Bowdoin college, noted especially for his research expeditions in Labrador and South America, is dead at Portland, following an operation, at the age of 56.

There is a possibility that Evelyn Nesbitt Thaw may abandon the proceedings for the annulment of her marriage to Harry Kendall Thaw, according to a statement made by her attorney.

Twenty-four battleships will be reviewed by President Roosevelt in Hampton Roads, February 22 next, the date of the return of the Atlantic battleship fleet from its cruise around the world.

Four deaths resulted from the wreck of the Oregon express on the Southern Pacific railroad near Pinole, Cal., the wreck being caused by the front truck of the baggage car jumping from the track.

Eduardo de Eranzo, a coffee planter from Venezuela, met death in New York City as the result of a drug clerk putting the wrong drug in a prescription which the Venezuelan had him prepare.

Mrs. Bessie De Eason shot and killed her husband at their home on a farm near Memphis, Tenn. She claims that her husband was intoxicated and started shooting at her, when she fired in self-defense.

Monroe M. Harkell, a newspaper man from Oklahoma, was shot and killed at El Paso, Texas, by J. F. Mitchell, proprietor of the El Paso Evening News, who claimed that Harkell had threatened to take his life.

The International Brotherhood of Locomotive Engineers have decided to include the countries of South America and Panama in the Brotherhood, and a canvass of these countries for membership will begin at once.

Mrs. Ann Darlinger of Sharon, Pa., who pleaded guilty to killing her husband, has been sentenced to serve eight years in the penitentiary. The woman is alleged to have shot her husband to obtain \$15,000 life insurance.

As the result of the breaking of a dam near Ashland, Wis., caused by the heavy rains, hundreds of residents were driven from their homes and many head of stock were drowned, while three bridges were swept away.

After more than four months consumed in the taking of evidence, counsel began last week their arguments in the supreme court in the government suit to compel the dissolution of the American Tobacco company on allegations that the company is a monopoly.

The abolishment of the sweat shop conditions which exist in France is the object of a serious experiment being essayed in Paris in the form of the establishment of a workshop apartment building in which workmen may perform their daily labors and have their residence.

A scene was created in the lower house of the Oklahoma legislature one day last week when members of the so-called house "insurgents" attempted to throw Speaker Murray out of the house, but were stopped by conservative members, a general row being barely averted.

A. Z. Drew, former owner of the defunct Hamline and Midway Savings bank, of St. Paul, which failed several months ago, has been indicted by the grand jury on a charge of receiving deposits when he knew the bank was insolvent. He was unable to secure bonds and is in jail.

Secretary Metcalf has detailed Admiral Robley D. Evans to duty with the general board of the navy which has to do with the preparation of plans for naval campaigns for use in time of war. After the admiral's retirement in August he will probably be detailed for "special duty."

NORTHWEST NOTES

Three earthquake shocks were felt in different parts of Montana on May 18. At Marysville dishes were rattled and clocks were made to strike by the disturbance. No serious damage was done.

Forest fires in the vicinity of Clyde, Colo., have destroyed over 1,000 acres of timber and at last reports were moving toward the watershed of Colorado Springs, on the south slope of Pike's Peak.

G. A. Finkelberg, who resigned as judge of the United States district court at St. Louis in 1907, on account of failing health, died in Denver on May 18. He was born near Cologne, Prussia, in 1837.

Pierre Gouyet, Lew Gouyet and two French women are under arrest in Helena, charged with importing foreign girls into this country for immoral purposes. The crusade is along the line of the efforts of Secretary Straus to stop this traffic.

Lewis Ferris, accused of the crime of dynamiting the eastbound Burlington express at Butte on the night of May 1, when three people were killed, pleaded not guilty of the charge when arraigned in the criminal court at Butte, and his trial has been set for June 1.

Judge Langdon of Carson, Nevada, has appointed Frank Wildes, deputy state treasurer, as receiver of the State Bank & Trust company, which suspended last October. It is believed the bank will eventually be able to pay the depositors at least 50 cents on the dollar.

Ole Nordahl, a Musselshell rancher, was arraigned at Lewistown, Mont., last week, for the murder of the entire Schleuter family, a mother and three children, who were found dead two months ago on a lonely ranch. Nordahl pleaded not guilty. There is no motive for the crime.

Snow which in many places reached a depth of three feet fell at Sheridan, Mont., last week. Fruit will be ruined and the suffering of livestock great. It is the worst spring storm in twenty-five years, extends over northern Wyoming and parts of Montana, also into western Nebraska.

W. R. Davis, private secretary to the late Governor Sparks, died at his home in Carson, Nev., on May 23, of stomach trouble. W. R. Davis, better known as Riley Davis, served as secretary to Governor Sparks since the latter first took office. He formerly was a resident of Dayton, Nev.

W. W. Hendricks, a foreman in the employ of the Utah Construction company, which has a contract on the Western Pacific, may lose his eyesight as the result of the explosion of a box of dynamite caps. One of his eyes was torn from its socket, and it is feared he will lose the sight of the other.

Announcement is made that the next annual convention of the American Bankers' association will be held in Denver during the week beginning September 27. The date was decided upon by Frederick C. Farnsworth, of New York, secretary of the association, after a conference with officers of the Denver convention league.

Three masked men robbed Old Kirk Inn, halfway between Reno and Toana, Nevada, and with revolvers forced the night bartender and a woman who was in the saloon with the night bartender into a closet. They blew open the safe and completely wrecked it with nitro-glycerin and secured \$950 and left the place on horses.

The announcement of the discovery of a theft of dynamite from a car of the explosive on the Dawson siding, near Butte, has caused much alarm among railroad people as the result of the recent dynamiting of the Burlington train near where this powder was stolen. The tracks are being closely guarded and every precaution taken.

The coroners' inquiry into the deaths of Seaman J. J. Staub and Master-at-Arms F. Luinsky of the New Jersey, who were killed by a street car at Bellingham, Wash., returned a verdict exonerating the motorman and the traction company. It was shown that the seamen were riding on the front fender of the car, and it was admitted that this was against the rules.

A dispatch from Missoula, Mont., states that the body of Henry Meyer better known as "Dutch Harry" throughout Montana, has been found on a sandbar in the Missoula river. Meyer is believed to have wandered into the river and drowned while he was wildered. "Dutch Harry" was a well known early day character during the exciting time of the vigilante reign acting as a freighter for Bill Buntow at the time he was taken from his camp at Drummond by vigilantes and strung up to a nearby tree. Harry was out looking for his horses and when he returned to camp found Buntow suspended from a limb.

Stanley Peek shot and instantly killed Andy Saterro, a fellow employee in the Southern Pacific baggage room at Reno, Nevada, and then telephoned the officers to come and get him. Peek gave as the reason for his act the alleged undue intimacy of Saterro with his wife.
